

What are *Good Funds*?

Real Time ACH

Good Funds, is defined simply as: Collected funds in a bank account and usable immediately by the owner of the account. Our "Good Funds" payment gateway allows for real-time digital payments that are immediate, irrevocable, intra-bank and/or interbank account-to-account (A2A) transfers that utilize a real-time messaging system. Most Good Funds transactions are "Credit Push" versus "Debit Pull."
